Chiara Teruzzi

Executive Director, Clinical Development at Syneos Health
Como

Summary

Executive Director with 20 years' global experience in clinical research trials in various phases and indications; passionate about quality and accuracy in clinical development.

Experience

Syneos Health

2 years 9 months

Executive Director, Clinical Development

January 2022 - Present (1 month)

Executive Director in Clinical Development, providing Operational Leadership to a large client portfolio of clinical trials, in various therapeutic indications from phase I to IV and RWE: working across teams to ensure operational consistency, leading improvement initiatives, collating and sharing lessons learned, supporting stakeholders to maintain high standards of quality and accuracy.

Senior Project Director

May 2019 - December 2021 (2 years 8 months)

Project Director with strategic and operational responsibilities over a large portfolio of studies, mainly in CNS indications.

PRA Health Sciences

Associate Director, CTMG

September 2016 - May 2019 (2 years 9 months)

Milano, Italia

Line management of Clinical Team Managers working across various therapeutic areas and study phases

INC Research

5 years 10 months

Project Director

February 2013 - August 2016 (3 years 7 months)

Supervision of project management in a portfolio of phase III CNS clinical trials from start-up to close-out, including direct client interaction, strategy planning, risk assessment and mitigation, resource and people management.

Senior Project Manager

May 2012 - February 2013 (10 months)

Italy

Senior Project Manager on multinational CNS trials.

Project Manager

November 2010 - April 2012 (1 year 6 months)

Clinical Project Manager with focus on CNS trials.

i3 Research

10 years 2 months

Project Manager

January 2008 - October 2010 (2 years 10 months)

Management of clinical research projects on time and on budget, including working with clinical sites, supervision of the internal research team, vendor management and financial overview.

Senior CRA

September 2000 - December 2007 (7 years 4 months)

Clinical monitoring of multinational clinical trials, with over 6 years' experience as Lead CRA for large, multinational teams.

Opis

Clinical Research Associate

November 1999 - August 2000 (10 months)

Clinical monitoring of a multinational trial in Italy; Trial Start-Up; Pharmacovigilance.
